VIDEO ACTIVITY "HARRY POTTER" C1-C2

ANSWERS

1. Hermione thinks that it would have been better if they had used Polyjuice Potion but Harry disagrees. What reason does he give for that?

This is the place where he was born and he doesn't want to return as somebody else

2. Describe the opening scene both from a visual but also from an audio perspective.

We see the two friends in the middle of a dark, snowy, deserted street walking and talking on the snow. In the background there are some faint lights. We can listen to the sound of the wind, their footsteps on the snow and in the background the sound of the bells and a laughter. Hermione at one point realises it is Christmas Eve because of the sound of the Christmas Carol they can hear.

3. What is this place that Harry's parents might be in?

It is a graveyard

4. What does Hermione find and where does Harry go in the meantime?

Hermione finds a gravestone with a strange symbol and the name Ignotus Peverell. In the meantime, Harry has found the grave of his parents.

5. What does Hermione do when she sees that Harry is gone?

Hermione joins him and she creates a flower wreath on top of the gravestone using her magic wand.

6. Have you seen any of the Harry Potter films or have you read the books?

How do you feel about this fantasy world?
